

HIRE OUR BEAUTIFUL VENUE

Memories To Last A Lifetime

Have the venue completely to yourself or reserve a private section for smaller celebrations.

From a baby shower for 20 guests to a wedding party of 100 with a bespoke three-course menu, we can cater for events big or small, and everything in between.

We offer in-house catering by our talented chefs and can arrange entertainment as part of your venue hire.

Our space holds up to 160 people and is the perfect place to host your 2026/27 function.

We're also happy to work with external vendors like balloon artists and decorators to make your event exactly as you imagine.
